

A large commercial airplane is parked on a tarmac under a blue sky with scattered clouds. In the foreground, several white ground support vehicles (GSVs) are visible. One GSV in the center has the 'TLD' logo on its side. To the right, another GSV has the registration 'MNZS8005'. The aircraft's cabin door is open, and its stairs are extended. A person in a high-visibility vest is visible near the stairs. The overall scene depicts an airport ground handling operation.
