Projects & Programs

TLD STRATEGIC GOALS 2011-2013

- 1. To install durably the TLD Brand as a synonym of quality and superior service to our customers worldwide.**
- 2. To bring value to our customers through innovation as well as product quality and reliability**
- 3. To improve operating conditions in order to reach our quality and support goals while delivering an excellent financial performance**

Previous Strategic Goals

TLD STRATEGIC GOALS 2014-2016

- 1. Quality and reliability must come first to the mind of TLD employees and organisations.**
- 2. To install durably TLD as a synonym of superior and consistent customer support, while continuing to raise our level of expectations.**
- 3. To achieve our quality and support goals while delivering an excellent financial performance in term of profitability and cash flow.**

New Strategic Goals

Quality and reliability must come first to the mind of TLD employees and organisations

- **We must all think first for quality**
 - For our Tasks
 - For our Parts
 - For our Paperwork
 - For our work Area

Quality!

- We must strive to make *Every* Unit a High Quality Unit
- We must ensure we follow our Documentation, Test Procedures and Engineering Drawings
- We must ensure we make refrigeration systems that don't leak – all the time, every time
 - Customers with low refrigeration level simply think our design is poor, and don't come back to TLD for follow-on orders
- Quality starts with each of us – we must be take responsibility to ensure we only ship High Quality Units

Good Enough is not Good Enough

Quality Focus

- **Ways to Improve your Safe Work Habits**

- Seek Cleanliness – Avoid Clutter
 - Eliminate trips and falls
 - Improves efficiency
- Fall Protection System for Work on top of Units
 - Eliminate risk of falling
- Don't Take Risks
 - Don't lean from ladders, don't take shortcuts

Safety

People/behind your equipment

- **We must support Manufacturing Productivity**

- Parts Availability
- Design Stability
- Documentation Accuracy
- Scheduling

Productivity

- **Teamwork is the key to Delivering High Performance**
- **We *must* work together to improve**
 - Product Quality
 - Manufacturing Efficiency
 - Material Availability
 - Engineering Accuracy
 - On-Time Delivery

We Must Improve Quickly!

- **2013 is a great year, with strong sales. The Group showed good growth, even with TLD WIN missing our budget**
- **2014 is showing great promise, with large military sales from TLD WINDSOR**
- **TLD Group Backlog remains at record levels, largely due to long-term military work in the US**
- **Important Plans for our future:**
 - Improve Quality to Increase Customer satisfaction and Drive Sales!
